BYTESPEED CELEBRATES 15 YEARS OF EXCELLENCE

ByteSpeed will celebrate their 15th Anniversary with an Open House on January 30th from 4:30-6:30 p.m.

[Moorhead, MN], January 13, 2014 – ByteSpeed, a leading manufacturer of Intel-based desktops, laptops, and servers, announces its 15th year anniversary.

ByteSpeed will hold an open house anniversary celebration at their Moorhead location (3131 24th Ave S.) on Thursday, January 30th from 4:30-6:30 p.m., kicking off with a ribbon cutting ceremony from the Fargo Moorhead West Fargo Chamber. The public is invited for a grand tour of ByteSpeed with a chance to win many great prizes, including a ByteSpeed 15.6” laptop.

ByteSpeed was founded in 1999 with the vision to manufacture high quality computers and offer uncommonly superior customer service for the education market. Today, ByteSpeed grown into a nationwide technology provider serving 47 of the 50 states, and has also expanded to work with financial institutions, healthcare facilities, and city and county governments across the nation.

President Charles Homme said, “ByteSpeed’s 15th anniversary is a tremendous milestone. To our employees and customers, current and future, it has been a wonderful decade and a half of achievements. Thank you for your dedication and loyalty to ByteSpeed and to our commitment of achieving excellence. We’ve done amazing things together, but the best is still to come.”

Not only is ByteSpeed an Intel Platinum Technology provider and a top 25 Intel system builder, but ByteSpeed is also a top Direct Microsoft OEM reseller in education. ByteSpeed can build and ship up to 1,000 computers daily from their 30,000 square foot

state-of-the-art facility in Moorhead, MN.
