BYTESPEED DESKTOPS AND SERVERS AVAILABLE THROUGH NASPO VALUEPOINT COMPUTER EQUIPMENT, PERIPHERALS & RELATED SERVICES CONTRACT 2015-2020

[Moorhead, MN], July 11, 2016 – ByteSpeed, a leading manufacturer of Intel-based desktops, laptops, and servers, is proud to announce we are an approved EPEAT Participating Manufacturer on the NASPO ValuePoint (formerly WSCA-NASPO) Master Price Agreement #MNWNC-103.

ByteSpeed's NASPO ValuePoint contract will open the market to state and local governments and give schools another outlet to purchase computer hardware at cost-effective prices.

ByteSpeed is committed to implementing sustainable strategies to support its economic, environmental, and social responsibilities.

- ByteSpeed's NASPO ValuePoint-approved desktops are EPEAT registered at the Silver Level, with a five-year warranty and free lifetime tech support.
- ByteSpeed's NASPO ValuePoint-approved servers are Energy Star certified, with a five-year warranty and free lifetime tech support.

More information about NASPO ValuePoint and ByteSpeed's technology solutions can be found at www.bytespeed.com/wsca-naspo/.

About EPEAT

EPEAT is the definitive global rating system for greener electronics. The Registry includes the most products from the broadest range of manufacturers and spans the widest array of countries. EPEAT combines strict, comprehensive criteria for design, production, energy use and recycling with ongoing independent verification of manufacturer claims. EPEAT is the leading resource for finding electronic products designed to reduce environmental impact.

About ByteSpeed

ByteSpeed has been custom-building Intel® based desktops, laptops, and servers since 1999 and have become a top solution provider for the education market nationwide. ByteSpeed also expanded to work with financial institutions, healthcare facilities, and city and county governments across the nation. Each system is built and serviced in Moorhead, Minnesota, and is backed by an industry leading warranty, personal customer service, and free lifetime tech support.
