ByteSpeed 14” W1 Laptop

The ByteSpeed 14” W1 Laptop is the sleekest, most powerful laptop we offer. It features the newest Intel 8th Gen processors, and is available with a budget-friendly i3 option, or an i5 processor for power users. The W1 will not disappoint with its ultra-thin design, sturdy aluminum exterior panels, and 8+ hour battery life.

The ByteSpeed 14” W1 Laptop includes a 3-year ByteSpeed warranty and free lifetime tech support.

Product Features:

- ✓ Thin and lightweight design
- ✓ Budget-friendly
- ✓ 3-year ByteSpeed Warranty
- ✓ Free Lifetime Tech Support
